What is a lease?

A lease is an agreement where you select the hearing aids of your choice, Allegro Credit purchases the hearing aids and you make monthly payments to use and possess the aids for a fixed period of time.

1. You will receive your hearing aids when you sign the lease, you will make your first payment at the time of delivery.
2. You will pay Allegro a low, fixed monthly payment in exchange for the right to use the hearing aids for that particular month. Early upgrade opportunities available throughout the lease.
3. At the end of the lease:
 - (1) Purchase the hearing aids at the residual price
 - (2) Return the hearing aids to us at the end of the lease or,
 - (3) Upgrade to new hearing aids.
